HERSCHEL DAVIDNER “PAYING IT FOWARD”

Herschel Davidner passed away in April of 2013 and in accordance with his wishes, along with the final decision by the family, Davidner’s Clothing & Western Wear closed one year later, at the end of April 2014.

Herschel’s father Samuel Davidner opened the first store in 1933 as a used furniture/harness repair/clothing and household goods store. His first love however was farming and by the late 1940’s Herschel was running the store and Samuel was back on the farm.

The enthusiastic attention paid, not only to the store, but to supporting the community and to “actions speaking louder than words.” When it came to doing the right thing, Herschel shaped the lives of his family and their families.

In order for a man to be the best he can be it is crucial for him to have the love and support of an equally good partner. Hershel met his wife Jean in 1951 at a curling bonspiel and they were married in July of 1956.

We thank the Davidner Family for their generous donation to our organization. We hope that we will be able to pay it forward to our members as Herschel Davidner had done throughout the years for his community.
