

# 2021 Club Membership Renewal

It's Club Renewal time and we thank you for taking time to complete your 2021 application. Attached is the 2021 Corporate/Club Membership Renewal Application:

- a) If the club contact person has changed please advise the SHF office right away as all correspondence including sanctions, grant information and cheques are sent to this person. It is important the SHF has current contact information on file. Office contact information: 306-780-9449 or [shfadmin@saskhorse.ca](mailto:shfadmin@saskhorse.ca)
- b) All memberships expire December 31 annually, regardless of when purchased. The club membership fee is not prorated.
- c) Incomplete applications will be returned. Coverage does not begin until all required information and payment are received.
- d) We no longer require a copy of your Non-Profit Corporate renewal. To save you time we require only your Corporate Registration Number (also called an Entity Number) which enables the office to verify your registration status. Verification of your current non-profit registration status enables your club to participate in SHF Grant Programs including the Raffle.
- e) Sanction forms are found on our website.
- f) Organizations must have a minimum of 6 members to qualify for club status.
- g) In 2021, Raffle Ticket books will be available to clubs upon completion of their renewal. Clubs may indicate the number of books they wish to receive, and when they would like the books sent to them or you can pre-order your books to pick them up at our AGM on March 13, 2021. Additional books may be ordered at any time. Sold raffle books can be returned to the office, with full payment, at any time. Note that a club receives \$16.00 of the proceeds of each raffle book sold.
