

What is P'tit Trot?

P'tit Trot is an educational program for children aged 5 and over who are fascinated with horses and ponies and wish to take care of them and learn the basics of English, Western or outdoor riding. The P'tit Trot materials are fully illustrated with colorful drawings and humorous notes that help the child discover **the ABCs of horse behavior, care, terms, and the basics of riding in a safe environment.**

Each P'tit Trot program package includes the following:

- Manual
- Certificate of achievement for each level (bronze, silver, gold and platinum)
- Game book
- P'tit trot sport pack
- User guide
- Activity sheets & answer key
- Progress report

The P'tit Trot is also an excellent introduction to the **EC English and Western Learn to Ride Program**

The teacher helps the child to acquire all the concepts presented in each chapter of the book. The teacher validates the knowledge acquired by giving the child a **certificate for each level reached: bronze horseshoe, silver horseshoe, gold horseshoe, platinum horseshoe.**

Additionally, this program falls into the “Fundamentals” stage of the [Long Term Equestrian Development](#) model.

Who May Use P'tit Trot?

Certified Stakeholders (instructors, coaches, pony club instructors, day and summer camps); as well as parents are invited to use this entertaining and educational program. After purchasing a complete P'tit Trot program kit(s); a user guide will be provided by sending a request to technicaldirector@saskhorse.ca
