RISK MANAGEMENT

SHF MUST be prudent about liability issues that could arise from our association with any equine activity, therefore:

- **A current certificate of insurance confirming general liability insurance (min \$2 million) for your Club, MUST BE received before your club membership becomes valid; 45 days grace period is provided.**
Capri CMW Insurance Services offers Club Insurance at preferred rates for SHF Clubs – call 1-800-670-1877.
- To further protect your Club's Risk it is highly recommended that all members of your club also be members of SHF. **Important** – a condition of Capri CMW's Club Liability Insurance is ensuring that all your individual club members who are actively riding or driving are also SHF members. This does not apply to social or honorary members who no longer ride or drive in Club associated activities. If a loss were to occur involving one of your active riding or driving club members, and it is found that they are not a member of SHF, your insurance may become null and void.
