

2026 Team Grant Application

The purpose of the Team Grant is to support those athletes who train as a team and who also compete in specific team classes or events. The grant is designed to support teams who achieve competition results at either in or out of province events such as Regional or National Championships.

The SHF will use national, provincial, breed or discipline group definitions of what constitutes a “team” to assess funding eligibility. For the purposes of the Team Grant, a “Club” is not considered a “Team”. However, a club may apply for funding on behalf of team members training and competing in team events within their club or Provincial Discipline Group. **Funding must go directly to the team members and not the club.**

Teams drawn/selected at an event are not eligible.

Teams must submit proof that at least one Team Member has successfully completed “Respect in Sport” with Sask Sport.

Payments will be made directly to each individual members of the team (unless specified otherwise)
