

The Saskatchewan Horse Federation is pleased to provide financial support to our members through grants. These grants support the athlete development pathway in all equestrian activities – from beginner riders to high performance athletes - while also recognising the many disciplines that horse sport encompasses. Member clubs, coaches, officials and individual members are eligible to apply for these grants. The following chart gives an overview of available grants, including eligibility and the application process. For more information on available grants, please refer to our website www.saskhorse.ca
