

## A FEW FACTS ABOUT THE AUTOMATIC INSURANCE COVERAGE INCLUDED WITH YOUR SASKATCHEWAN HORSE FEDERATION MEMBERSHIP

---

IF YOU, THE MEMBER have paid your annual membership dues and are therefore in "good standing" with SASKATCHEWAN HORSE FEDERATION, YOU, THE MEMBER are provided with **TWO** important and separate insurance benefits **AUTOMATICALLY**:

1. **\$5,000,000** of excess **PERSONAL LIABILITY** insurance that **WILL** protect YOU, THE MEMBER if YOU, THE MEMBER are SUED by a third party because a horse that YOU, THE MEMBER own, lease or use causes PROPERTY DAMAGE OR BODILY INJURY TO A THIRD PARTY.

A few **examples** of situations where YOU, THE MEMBER, HAVE COVERAGE:

Example 1. The horse kicks or bites someone causing **bodily injury**

Example 2. The horse kicks a car or escapes on to a neighbor's land causing **property damage**

Example 3. **"Someone else"** is holding your horse and the horse causes property damage or bodily injury to a third party.

The policy is **IN FORCE 24 hours a day, seven days a week, anywhere in the world**. So if you board your horse elsewhere, keep your horse at home or go for a ride down the road or on the trail – YOU, THE MEMBER are covered.

The policy will provide liability protection **regardless of the number of personal use horses** you own or lease. Some important information to consider:

- a) The insurance policy DOES contain an EXCLUSION if your horse is used for **COMMERCIAL** purposes. This means that if you receive compensation for the use of your horse - (e.g. "money" or "trade of value" for riding instruction, or reduced board for the use of your horse by someone else in a lesson) **this policy will NOT respond**. THIS IS A PERSONAL LIABILITY POLICY ONLY.
  - b) **IF** you do allow others to **RIDE** your horse, then be sure that the person **RIDING** the horse is also a **member of SASKATCHEWAN HORSE FEDERATION OR** is employed in whole or in part in the horse business (for example your certified coach etc.). If the person **RIDING** your horse meets either of these criteria, then **YOU, THE MEMBER ARE COVERED**.
  - c) The insurance policy DOES contain an **EXCLUSION** related to claims made between immediate family members. (e.g.- the parent/spouse of a member will not be covered by this insurance if their own child / spouse sued them)
  - d) Part of the liability coverage provided through membership addresses the exposure that could arise **IF YOU, THE MEMBER** transport (TRAILER) a horse that DOES NOT belong to you (in a non-commercial situation). If that non-owned horse were injured as a result of your negligence and **IF** that other person decided to **sue** you for compensation for their loss, the policy will respond - up to a limit of \$10,000 for any one horse. **Please note** - this is NOT commercial horse transport insurance and is NOT life insurance for the horse being transported – this is liability insurance to protect you if you are sued by a third party when you are in the care, custody and control of a non-owned horse.
2. **\$40,000 (Principal Sum) Accidental Death or Dismemberment** coverage if YOU, THE MEMBER suffer from a scheduled (listed) catastrophic and permanent injury (or death) related to an incident where horses are involved. This coverage is in force 24 hours a day, seven days a week, and covers the member anywhere in the world.

**Please note the following conditions and exclusions pertaining to the included AD&D coverage:**

- i. Coverage is provided for Canadian residents only;
- ii. This is not a short term disability (STD) or long term disability (LTD) insurance policy nor does the policy provide compensation for lost wages;
- iii. The policy that is included with your membership does not provide any payment for fracture or dental injuries.
- iv. **THIS AUTOMATIC COVERAGE ONLY APPLIES TO MEMBERS UNDER THE AGE OF 90 YEARS.**
