General Rules & Regulations

Please read carefully the following general rules.

1. The Heritage Provincial Finals will follow all rules and regulations described in the Heritage handbook found on the website at: <http://saskhorse.ca/rulebooks>. Under which, we will also be following the individual discipline rules set by the National governing organizations such as Equestrian Canada, and Western Style Dressage Association of Canada.
2. SHF Helmet Policy: All youth under the age of 18 as of January 1st of the current year will be required to wear an approved ASTM/SEI helmet.
3. All Junior and Senior riders in English Dressage, regardless of the level they are competing at, must wear an approved helmet. All Junior Western Dressage riders, regardless of the level they are competing at, must wear an approved helmet. Senior Western Dressage riders may wear a western hat or an approved helmet.
4. Dressage riders are to provide their own reader, if required. Readers will NOT be provided by the SHF.
5. All horses/competitors must wear their number when outside of their stall. While competing, numbers must either be worn on the rider's back, or clearly displayed on both sides of the saddle pad. Exception: Bridle numbers may be used in Hunter Over Fences and Hunt Seat Equitation classes, but a back number must be worn in Hunter Under Saddle Classes.
6. Obvious sideline coaching or obvious ringside assistance while rider is being judged may result in the disqualification of the exhibitor.
7. Discipline: Competitors are warned that any act of discourtesy or disobedience to the officials on the part of the owner, groom, rider, driver, or member of the family participating in the show, will disqualify the horse and exhibitor. The management of the show has the right to remove a groom, horse, rider or driver from the show without being liable for compensation or damages.
8. In Hunters, a horse/rider combination may compete at a maximum of three consecutive heights at the competition. A horse may compete in a maximum of four over-fence classes per day, including equitation over fences.
9. In Dressage and Western Dressage, a horse/rider combination may compete in any two, but only two consecutive levels at the competition. A horse may compete in a maximum of four tests per day (combined English and Western Dressage).
10. Each horse requires a stall, including single day entries. Please note: Due to insurance requirements, Moose Jaw

Exhibition Company regulations do not permit horses tied to the trailer. Participants not in compliance will be excluded from competition and entries will be forfeited.

11. Coggins testing is recommended but is not required.
12. In a Hunter Division a horse must be shown in the regular Hunter class Over Fences to be eligible to compete in the Under Saddle &/or the Stake Class. A horse must be shown in the regular class of a division to be eligible to compete in the stake class.

Medications Control

The Saskatchewan Horse Federation reserves the right to do random drug testing at this show. Anyone failing to comply may face disqualification.

Animal Welfare

The Saskatchewan Horse Federation is dedicated to the humane treatment and welfare of horses. Cruel, abusive or inhumane treatment of a horse at any SHF Circuit competition by an exhibitor, owner, trainer or other person will not be tolerated anywhere on the grounds under any circumstances. The SHF supports any decision of officials or show committees that removes a horse from a competition due to obvious lameness or exhaustion.

Cruelty can be defined as intentionally causing pain or unnecessary discomfort to a horse. The standard by which such conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures would determine to be cruel, excessive or inhumane.

Lameness

Obvious lameness in any class or event may be cause for disqualification. In the event that a horse exhibits one or more signs of lameness, the judge may choose from the following:

- To not consider a lame horse for placing
- To give a lame horse a zero or 'no' score
- To ask that the horse be excused from a class

Scratches

Any entry that scratches a class during the show is not eligible for a refund. Cancellation of entries after the entry closing date will be refunded all fees except the \$30.00 Admin/Office fee. A certified medical doctor or veterinary certificate must be provided.

Protests

Any protest must be made in writing and signed by the complainant. It must be submitted, along with a \$25 cheque, within one hour of the completion of the class in question. A protest must contain a specific statement of an alleged violation of a rule or a condition of a class. It must provide the full name (and address, if possible) of the alleged violator.

The show committee (and the judge, if they so choose) will review the protest and determine a ruling based on the rules and regulations under which the show is sanctioned. Their decision shall be final.

Protest fees will be returned only if the ruling is made in favor of the complainant.

This procedure will take precedence over all other protest procedures.

Schedule

Riders exhibiting more than one horse in classes where entries show one at a time will be scheduled to allow for a tack change, however, horses must be ready to go when called. Rail classes will take priority over scheduled classes when necessary.

Because of the multi-discipline nature of this show, the show committee reserves the right to move scheduled classes at the judges discretion. Dressage riders may be required to ride before their posted times if possible. We will do our best to accommodate all riders as needed, so please be aware of how classes are moving and be prepared if necessary. If you foresee a conflict, please let the gate know as soon as possible.
