General Rules & Regulations

Please read carefully the following general rules.

1. The SHF Finals will follow all the rules and regulations described in the SHF handbook found on the website at: <http://saskhorse.ca/rulebooks>. Under which, we will also be following the individual discipline rules set by the National governing organizations such as Equestrian Canada, and Western Style Dressage Association of Canada.
2. SHF Helmet Policy: All youth under the age of 18 as of January 1st of the current year will be required to wear an approved ASTM/SEI helmet.
3. All Junior and Senior riders in English Dressage, regardless of the level they are competing at, must wear an approved helmet. All Junior Western Dressage riders, regardless of the level they are competing at, must wear an approved helmet. Senior Western Dressage riders may wear a western hat or an approved helmet.
4. The Show Committee reserves the right to combine age groups or cancel classes due to lack of entries.
5. Dressage riders are to provide their own reader, if required. Readers will NOT be provided by the SHF.
6. All horses must wear their number when outside of their stall. While competing, numbers must either be worn on the rider's back or clearly displayed on both sides of the saddle pad (Western and Jumpers). Bridle numbers may be used in Jumpers.
7. Obvious sideline coaching or obvious ringside assistance while rider is being judged may result in the disqualification of the exhibitor.
8. Discipline: Competitors are warned that any act of discourtesy or disobedience to the officials/volunteers on the part of the owner, groom, rider or member of the family participating in the show will disqualify the horse and exhibitor. The management of the show has the right to remove a groom, horse, rider or driver from the show without being liable for compensation or damages.
9. In Hunters/Jumpers, a horse/rider combination may compete at a maximum of three consecutive heights at the competition. A horse may compete in a maximum of four over-fence classes per day, including equitation over fences.
10. In English Dressage and Western Dressage, a horse/rider combination may compete in any two, but only two consecutive levels at the competition. A horse may compete in a maximum of four tests per day (combined English and Western Dressage).
11. Each horse requires a stall, including single day entries. Please note: Due to insurance requirements, Moose Jaw Exhibition Company regulations do not permit horses tied to the trailer. Participants who are not in compliance will be excluded from competition and entries will be forfeited.
12. Coggins testing and Vaccinations are highly recommended.
13. No motorized vehicles, bicycles or scooters allowed in the barns/arena.
14. We would prefer pets to stay at home but if brought to the venue, they must be on leash.

15. In a Hunter Division, a horse must be shown in the regular Hunter class Over Fences to be eligible to compete in the Under Saddle &/or the Stake Class. A horse must be shown in the regular class of a division to be eligible to compete in the stake class.
16. Medications Control: The Saskatchewan Horse Federation reserves the right to do random drug testing at this show. Anyone failing to comply may face disqualification.
17. Animal Welfare: The Saskatchewan Horse Federation is dedicated to the humane treatment and welfare of horses. Cruel, abusive or inhumane treatment of a horse at any SHF competition by an exhibitor, owner, trainer or other person will not be tolerated anywhere on the grounds under any circumstances. The SHF supports any decision of officials or show committees that removes a horse from a competition due to obvious lameness or exhaustion.

Cruelty can be defined as intentionally causing pain or unnecessary discomfort to a horse. The standard by which such conduct or treatment will be measured is that a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would be determined to be cruel, excessive or inhumane.
18. Lameness: **Obvious lameness** in any class or event may be cause for disqualification. If a horse exhibits one or more signs of lameness, the judge may choose from the following:
 - To not consider a lame horse for placing
 - To give a lame horse a zero or 'no' score
 - To ask that the horse be excused from a class
19. Scratches: Any entry that scratches a class during the show is **not** eligible for a refund. Cancellation of entries after the entry closing date, but before the start day of the show will have all fees refunded except the \$30.00 Admin/Office fee. A certified medical doctor or veterinary certificate must be provided.
20. If a Class or Division is cancelled by the Committee, applicable fees will be refunded.
21. Protests: Any protest must be made in writing and signed by the complainant. It must be submitted, along with a \$25 e-transfer/cheque, within one hour of the completion of the class in question. A protest must contain a specific statement of an alleged violation of a rule or a condition of a class. It must provide the full name (and address, if possible) of the alleged violator. The show committee (and the judge, if they choose) will review the protest and determine a ruling based on the rules and regulations under which the show is sanctioned. Their decision shall be final. Protest fees will be returned only if the ruling is made in favor of the complainant. This procedure will take precedence over all other protest procedures.
22. Schedule: Riders exhibiting more than one horse in classes where entries show one at a time will be scheduled to allow for a tack change, however, horses must be ready to go when called. Rail classes will take priority over scheduled classes when necessary.

Because of the multi-discipline nature of this show, the show committee reserves the right to move scheduled classes at the judge's discretion. Dressage riders may be required to ride before their posted times if possible. We will do our best to accommodate all riders as needed, so please be aware of how classes are moving and be prepared if necessary. If you foresee a conflict, please let the gate know as soon as possible.
