About the Coach Symposium:

Join us for our highly anticipated third SHF Coaching Symposium. SHF is dedicated to providing top of the line professional development opportunities to its membership. This particular weekend will be filled with one of a kind professional development geared towards instructors/coaches/trainers/industry professionals. Whether you are a certified instructor/coach or not, we want to welcome you to join us for this educational weekend aimed at providing relevant industry information specially designed in a format that coaching professionals can relate to. Our fantastic industry presenters are excited at the opportunity to help elevate coaching knowledge and standards to benefit everyone.

2024 Coaching Symposium Schedule

Subject to change

Saturday November 2nd, 2024

Session #1

NCCP Manage a Sport Program – Ruth Allum (Master Coach Developer)

As coaches begin to take on more responsibility, they are expected to plan and execute tasks that extend beyond the delivery of daily training and the management of the daily training environment.

The NCCP Manage a Sport Program module provides coaches with the opportunity to plan and interact with program budgeting, setting staff and team expectations, arranging team travel, building athlete agreements, and reporting on athlete/team progress.

This module is perfect for any club head coach, provincial team coach, aspiring team manager, or technical administrator.

After completing the NCCP Manage a Sport Program, you will be able to:

- Manage administrative aspects of the program and oversee logistics.
- Manage staff roles and responsibilities.
- Manage camp and tournament finances and travel.
- Report on athlete progress throughout the program.

LUNCH (provided)

Session #2

Rider Biomechanics – Jenifer Parks / Equiletics

Mind & Body, Horse & Rider

Combining the principles of exercise and behavioral physiology to improve horse and rider relationship and enhance performance.

Session #3

Lesson Horse Baseline Testing – Ruth Allum (High Performance Eventing Coach)

Establishing your lesson horses' baseline to help identify potential health concerns early.

Sunday November 3rd, 2024

Session #1

Lesson Plan Recipes – Ruth Allum (Master Coach Developer and High-Performance Coach)

Through breakout group activities. We will learn multiple creative ways to teach horsemanship/riding skills.

Session #2

Saddle Fitting – Krystl Raven

Learn to help fit English and Western Saddles to horse and rider

LUNCH (provided)

Session #3

Teaching Hoof Care Basics – Norm Kohle

How to teach hoof care basics to your students/clients

Session #4

Introduction to New EC Learn to Program – Ruth Allum (Program Developer with Helen Richardson)

Symposium attendees will be some of the first people to learn about the new and improved EC Learn to Program.

Event Wrap-up

Thank you for attending and safe travels home!
